

# **S.V.R Government Degree College, Nidadavole**

## ***DEPARTMENT OF COMPUTER SCIENCE***

### **Brief History of the Department**

Sri Velagapudi Ramakrishna Government Degree College for men was established in the year 1971 at Nidadavole, East Godavari District, Andhra Pradesh.

B.Sc., Computer Science was started with combination in the 2004-2005 academic years in this college as the self-financed course .Computer Science, Mathematics and Physics are core subjects in this group.

Students who have passed Intermediate studying Mathematics, Physics are eligible to join in this course. First batch was started with 14 students in which 9 boys and 5 girls.

Initially Computer Science lab contained 6 computers. Now it contains 23 computers and also with 6KV UPS which provided the power to the lab at the time of power failure.

In the year 2007-08 Computer Science Department carried out a certificate training program named “3C”,ie .Certificate Course in Computers for the non-computer student of the college two batches were successfully completed the course .Each batch contained 30 students.

From the year 2008-09 Department have started Diploma and Advanced Diploma course in Information Technology as the Career Oriented Program, Under XI plan sponsored by University Grants Commission, New Delhi.

Computer Science students took active part in all the activities of the college .many of our students joined Post Graduate after completing the Graduation .some of the students got job in MNC's through campus recruitment. They also actively participate in NSS programs and Blood Donation camps conducted by the college.
