Best Practice - I

Title of the Best Practice : Feedback System

Objectives

1. To receive feed back from the students on curriculum.
2. To collect feedback from parents on college
3. To collect feedback from Alumni on college
4. To collect feedback from teachers on curriculum design and development,
Teaching - learning and evaluation, infrastructure and governance.
5. To collect feedback from students on teaching learning process (SSS)
6. To analyse stakeholders feedback forms
7. To prepare feedback reports and submit to the Principal
8. To upload feedback reports and action taken reports in the college website.

The Context:

1. Four types of Feedback are taken by IQAC at the end of every year.
2. Collect and analyse feedback from stakeholders (Students, Parents, Alumni, Teachers)
3. Conduct Student Satisfaction Survey on teaching learning process
4. Prepare and submit feedback reports to the Principal
5. Conduct meetings with the Principal and staff and take necessary action
6. Upload feedback reports and ATR in the college website

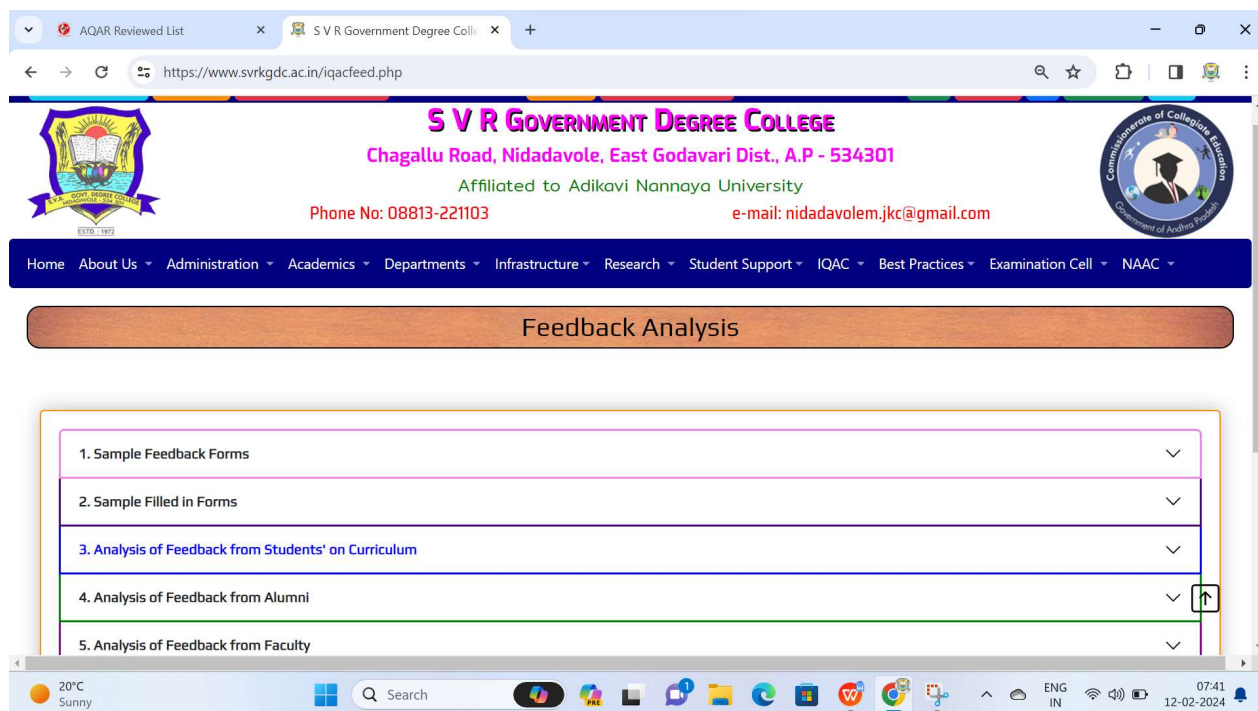

The Practice:

The students, Faculty members, parents and Alumni give their feedback and suggestion on curriculum prescribed by the University and its transaction at the institution level. The IQAC prepares a report on the basis of the feedback on Teaching-Learning & Evaluation Process and placed before the Principal for necessary action. After analysis of the Students Satisfaction

Survey by IQAC, the report is placed before the Principal in the IQAC meeting for necessary action.

Evidence of Success:

1. Certificate courses have been introduced in the college.
2. Most of the Faculty members take Remedial classes for slow learners.
3. Class toppers and subject toppers are rewarded

Problems Encountered:

Very few Feedbacks received from parents and Alumni.
