VISION :

- To provide a student-cantered learning environment that facilitates transference of information and to cater to the needs of its users to access it.

- To explore and implement innovative technologies and services to deliver information and scholarly resources, conveniently to students and faculty members in the campus.

MISSION :

- To provide comprehensive resources and services in support of teaching and learning needs of the academic community

- Putting technology to use innovatively for the flexible delivery of services and resources to users regardless of location within the campus.

- To facilitate access to right Information at the right time in the right manner so as to produce productive citizens to this great nation in general and to our community in particular.
