

**S V R GOVERNMENT DEGREE COLLEGE,  
NIDADAVOLE**

**DEPARTMENT OF COMPUTER SCIENCE**

**Offline Faculty Development Programme on  
Artificial Intelligence @UOH**

The Department of Computer Science and Computer Applications is proud to acknowledge the successful participation of Smt. Soujanya Bhukya in a prestigious Faculty Development Programme (FDP) on Artificial Intelligence (Discipline Specific Applications in Computer Sciences) conducted from 23rd to 27th March 2026.

The programme was organized by the Executive Education Cell, School of Management Studies, University of Hyderabad, in collaboration with the Andhra Pradesh State Council of Higher Education (APSCHE) and sponsored by Andhra University, Visakhapatnam under the RUSA Grant. This FDP aimed at enhancing the knowledge and skills of faculty members in the rapidly evolving domain of Artificial Intelligence.

During the five-day programme, Smt. Soujanya Bhukya actively participated in sessions covering advanced concepts, practical applications, and emerging trends in Artificial Intelligence. The training provided valuable insights into integrating AI techniques into teaching methodologies and academic research, thereby improving the overall quality of education delivered to students.

Her successful completion of the programme reflects her commitment to continuous professional development and dedication towards academic excellence. The knowledge gained from this FDP will significantly contribute to strengthening the department's academic standards and promoting innovative teaching practices.

The department appreciates and encourages such initiatives, as they not only enhance individual faculty competencies but also contribute to institutional growth and student learning outcomes.

Outcomes:

- Enhanced understanding of Artificial Intelligence concepts and applications
- Improved teaching methodologies with integration of AI tools
- Strengthened research orientation in emerging technologies
- Contribution to academic excellence and institutional development.
