**Smt. Lakshmi Devi, Assistant Director of STL,
M. Parthasaradhi Assistant Director of STL etc...**

Brief Report:

Going on a field trip enhances their critical thinking skills and gives students a chance to think about a topic or theme from a different perspective. Several children don't get to experience the typical field trip locations with their families. A college trip gives students the chance to experience new venues.

In this connection, we planned a field trip to Soil Testing Laboratory and Seed Testing Laboratory to create practical awareness to students on soil Ph, Quality of soil, Quality of seed, Seed germination Test or paper plate method and TZ test.

The students feel much excited towards their practical knowledge and enrich knowledge of the students by their visit to laboratories.
